## Copper Wine Coasters

July, 2009

Our Wine Coasters are as functional as they are decorative: they display wine bottles attractively while preventing any spilled wine from staining your table. All are made from pure stamped solid copper, which ages naturally over time developing a rich patina. Alternatively, if you prefer, you can keep them bright by periodically polishing them with common copper cleaners.

### 4" Copper Wine Coasters:

At 4" round x 7/8" high with a rolled edge, this coaster is best suited for wineglasses or bottles up to 4".
