Copper Plant Saucers

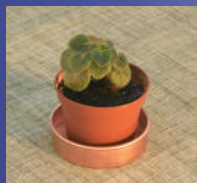

June, 2009

Our Plant Saucers are as functional as they are decorative: they display potted plants attractively while acting as a water reservoir. All are made from pure stamped solid copper, which ages naturally over time developing a rich patina. Alternatively, if you prefer, you can keep them bright by periodically polishing them with common copper cleaners.

2" Copper Garden Pot Saucers:

With plain or embossed walls, these low profile saucers are ideally suited to small potted plants.

CP0301	2" Saucer, Plain
CP0401	2" Saucer, Embossed

Trays:

Display up to ten small potted plants on a surface or attached to a window. Ideal for small herb gardens as these trays make herbs easily accessible in the kitchen. Another decorative option is to use them for cacti or succulents, as is shown below.

4" Copper Garden Pot Saucers:

Ideally suited to small potted plants up to 4" in diameter.

CP0302	4" Saucer, Plain
CP0402	4" Saucer, Embossed

CP0701	20" x 1 3/4" Copper Plant Tray
CP0802	20" x 1 3/4" Window Mounted Copper Plant Tray

Pedestal Garden Pot Saucers:

Elegantly elevate small potted plants by 1 1/2".

CP0501	3" Pedestal Stand
CP0502	4" Pedestal Stand

Square and Rectangular Garden Pot Saucers:

Suited for potted plants up to 3" in diameter.

CP0603	Square Holder
CP0602	Rectangular Holder
