

Tripar's Vision

To remain at the forefront of metal stamping technology, specializing in drawing and deep drawing technology. Collaborate with customers to solve their problems with innovative solutions quickly, competitively, and at any volume. Currently Tripar are the lighting industry's metal stamping specialist and will strive to offer the same level of service and quality of products to other industries

Mission Statement

In pursuit of this vision, Tripar will:

- Use our deep pool of experience to adopt and pioneer the most advanced metal stamping techniques
- Continually develop highly qualified personnel to maintain our renowned position as a leading metal stamping company
- Strengthen our R&D and product development capabilities to create new and strategic opportunities
- Seek profitable business in order to offer security and growth to our employees, customers, suppliers and Tripar

Core Values

To treat all employees, suppliers, customers and the environment with the utmost respect, fairness and integrity. Through this relationship, Tripar will always seek to offer our customers the best value through a combination of price, features, performance and superior service
