2014 was Tripar's 65th anniversary and during the year we had many achievements to celebrate including:

- Completely renovated offices
- Invested in a new 200 Ton press
- Timeline to share our fantastic story
- Open house for our customers & suppliers
- New Video Library

We capped off a fantastic year with a party for all employees and their spouses. During the evening Ben and Lloyd were presented with a commemorative plaque to celebrate Tripar's 65 great years and thank them for being exceptional employers.
